

The Briarcliff - Ossining Ministerial Association
Invites you to join us at our annual celebration of the life of

Dr. Martin Luther King Jr.

Sunday, January 20 at 7:30 PM

at First Presbyterian Church in Ossining

**The speaker is Kymberly E. McNair, M Div., S.T.M., representing
the Poverty Initiative at Union Theological Seminary**

The Poverty Initiative's mission is to *raise up generations of religious and community leaders committed to building a movement to end poverty, led by the poor.*

As we enter the 21st Century, we face increasing polarization of the rich and poor. This is the defining social issue of our time. The Poverty Initiative believes that it is possible to end poverty – not merely manage it. It is our moral imperative and theological calling to do so. This is a spiritual journey.

Kymberly E. McNair graduated from with a Master of Divinity and Master of Sacred Theology from Union Theological Seminary in the City of New York in 2008 and 2009 respectively. Kymberly currently teaches adult learners at the College of New Rochelle's School of New Resources. She also serves as the co-Chair of the Social Action Ministry of her home church, Antioch Baptist Church, in Bedford Hills, NY. She works with the Poverty Initiative's religious strategy team.

only light can do that.
Hate cannot drive out hate:
only love can do that."**
