

Sixth Annual

Project Greenway

Re-Fashion Show

Sunday, November 9th
4 p.m. @ Scarborough Presbyterian Church

All proceeds benefit:

To all our neighbors and friends:

The Project Greenway Re-Fashion Show is now in its sixth year, and we're thrilled to see how many of our contestants and audience members have put it on their permanent calendars to return again and again.

If you haven't been part of it yet, you're missing the opportunity to see designers of all ages (and all levels of experience) stretch their creative wings and walk the runway, to help raise important funds that enable local charities to continue their good work in our communities. If you've been a member of the audience, perhaps this is the year you move onto the runway yourself with a one-of-a-kind design!

Either way, we hope to see you there! The anything-goes runway show will be followed by a wonderful reception, courtesy of our host church, our committee teams and your favorite local caterers. Come! Bring your friends and family! Get ready for some fun!

Followed by Wine & Hors d'oeuvres Reception

Admission: \$20 pre-paid; \$25 at the door; \$5 students

**Contestants start with something old, used,
rummaged, or retired ...
... and re-fashion, recycle, and re-style it
into something new!**

Last year, pant legs became sleek, sheath dresses; trampolines became gowns; tops became skirts...and everyone was inspired by sustainable and creative style!

For All Seasons is a charitable organization devoted to serving families whose fundamental needs are not being met through established social services. Seasonally we plan and organize projects, give volunteer time and donate essential goods to benefit our most unrecognized and needful neighbors.

Through relationships with social workers in the schools, we have also stepped in to help provide everyday basics such as back packs, school supplies, and food gift cards **and** life-changing gifts such as summer camp scholarships, holiday shopping or tickets to the prom that help send a message of hope for the future to many children and families in our local community.
