

Feeling creative?  
Anyone can enter!

Just take a picture of “before”  
and walk the runway in the “after”!

### Entry guidelines:

- Items to restyle, recycle and re-use may be purchased from a rummage sale, yard sale, Goodwill or other second-hand/thrift shop or “found” in the back of a closet. You must have a “before” picture of every item you use!
- At least 75% of the finished look must be from second-hand items, but you may cut, sew, combine, and embellish anything and any way you want! (Sewing machines and assistance will be available at Scarborough Church by appointment starting October 26th.)
- Contestants must model their new outfit at the Project Greenway show on November 7th, and be prepared to share the story of where they got their items, and what they did with them. Plan to arrive by 3 p.m. on the day of the show.
- Judging will be based on wearability, inspiration, transformation plus the “wow” factor. Judges donating their time include fashion-savvy women from March Boutique and Adrianna Papell.
- You must complete an entry form by **October 23, 2010**. There is no cost to enter.
- There are two age categories: “Under 19” and “19 and up.”
- First prize in each age category is a \$200 gift certificate to Briarcliff’s March Boutique. Second prize is a \$100 gift certificate.

Enter online by  
**October 23, 2010.**
